Ridgeway, Virginia

June 1, 2024

Dear Community Supporter,

I hope this letter finds you in good spirits. As a proud supporter of the arts and education, I am reaching out to you on behalf of MVHS Warrior Band Boosters, Inc. to discuss an exciting opportunity for partnership. Our organization is dedicated to supporting the Magna Vista High School Marching Band, a talented group of young musicians who demonstrate exceptional dedication and passion for their craft. Throughout the year, the band participates in various competitions and performances, showcasing their talent and commitment to excellence.

We understand the importance of community support in helping these young musicians achieve their goals and fulfill their potential. As such, we are seeking sponsors who share our commitment to music education and are passionate about supporting the arts in our community.

Your sponsorship would provide essential support for the Magna Vista High School Marching Band, enabling them to cover expenses such as instrument maintenance, travel costs, competition fees, and uniform expenses. In return for your generosity, we are pleased to offer a range of sponsorship benefits tailored to meet your specific needs and objectives, including:

- Recognition on event materials, including banners, flyers, and the band's website.
- Public acknowledgment during performances including home football games.
- Opportunity to display signage on our competition trailer or placement on our Band shirts.
- Social media recognition and shout-outs to our audience of engaged supporters.

We believe that by partnering with us, you will not only make a positive impact on the lives of these talented young musicians but also gain valuable exposure and recognition within our community. I would love the opportunity to discuss how we can tailor a sponsorship package to best meet your needs and objectives. Please feel free to contact me directly at 276.618.1081 or email at vp@warriorband.org to further discuss this opportunity or to address any questions you may have.

Thank you for considering this partnership opportunity. Your support would make a meaningful difference in the lives of the students in the Magna Vista High School Marching Band, and we are excited about the possibility of working together to support their continued success.

Warm regards,
Eva Eanes
